

Product datasheet

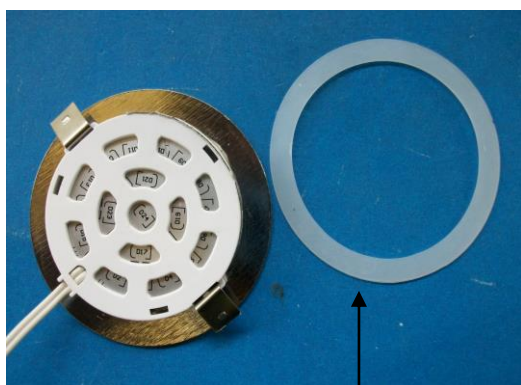

Model: 12Vspot 24LED IP 44 3200K brushed steel
Description: 12Vspot 24LED IP 44 3200K brushed steel
Item number: 4300140

Technical specifications:

Voltage: 12V
Polarity sensitive: yes
Power consumption: 1.9W
Energy class rating: A+
Number of led's: 24
Type: Build-in
Diameter in mm: 64
Dept in mm: 11
Wire length: 20cm
Standard connection type: blade
Material: brushed steel
Weight: 57g
Operating temperature: 45°C
Light beam angle: 60°
Lumen: 150
Light color: 3200K (warm white)
Protection level: IP44

Details:

sealing

Connector 6.3x0.8mm blue and red
