

Product datasheet

Model: Neso Flex

Description: Neso Flex 12V LED spot Satin Nickel

Item number: 4305747L

Technical specifications:

Voltage: 12 DC

Type of light: LED

Power consumption: 1.4W

Brightness in Lumen: 150

Beam angle: 80°

Colour of the light: 4000K

Maximum temperature in use: 50°C

Material: metal

Outside colour of the housing: Chrome / satin nickel

Cable length: 370mm

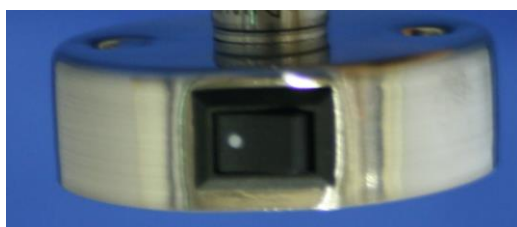

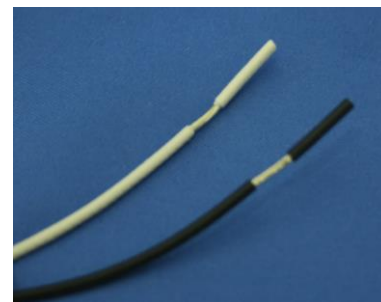

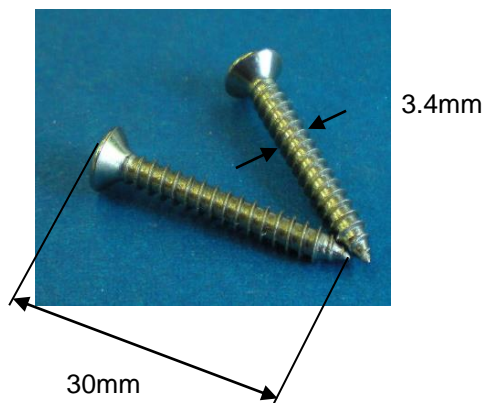

Net. Weight: 220g

Gross weight: 267g

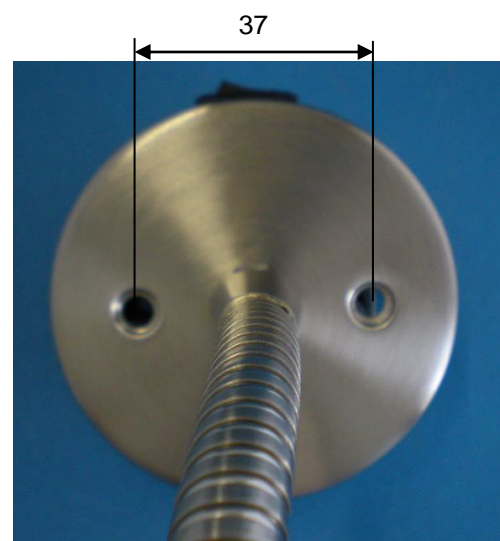

Dimension packaging: 130×70×110mm

Details:

switch

Mounting holes Ø 4mm
