

Product datasheet

Model: Rooflight 12v led with white/blue Arum 195x85

Description: Rooflight 12v led w.white/blue Arum 195x85

Item number: 4305762

Technical specifications:

Voltage: 11-15VDC

Power consumption only blue light: 0.5W

Power consumption blue+white light: 5W

Amount of light: 350 lm

Energy rating class: B

Amount of light comparable with 8W halogen

Beam angle: 160°

Number of blue coloured leds: 4

Number of white coloured leds: 12

Light colour: 3200K

Used material: plastic/metal

Power connection: polarity sensitive

Connection wire length: 20cm

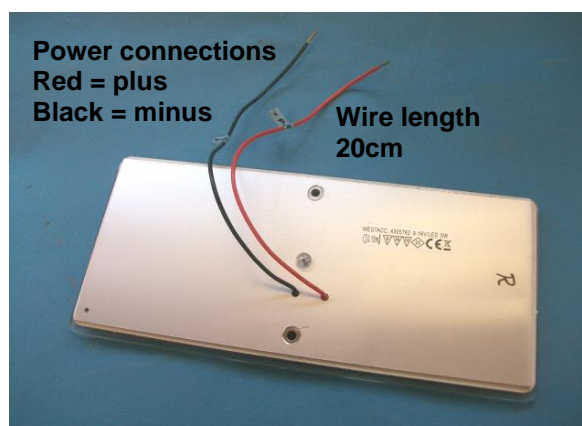

Net weight: 190g

Gross weight: 210g

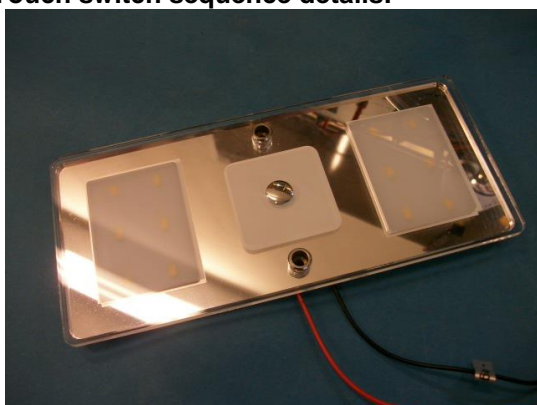

Dimensions(LxWxD): 195x85x10mm

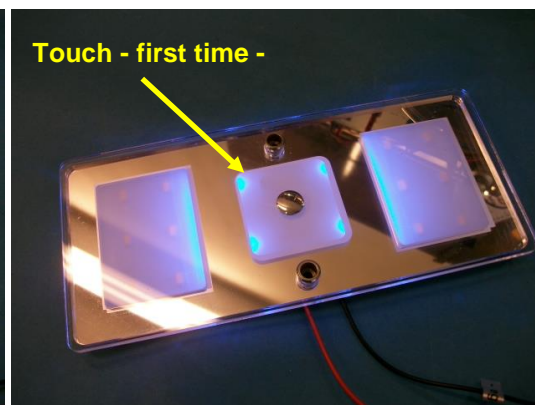

Details:

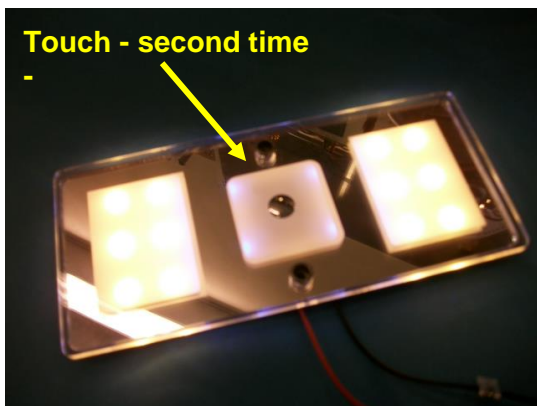

Touch switch sequence details:

All off

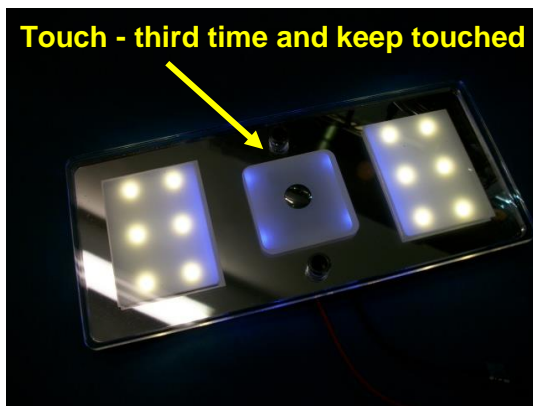

Only navigation light on

Touch - second time

Maximum brightness on

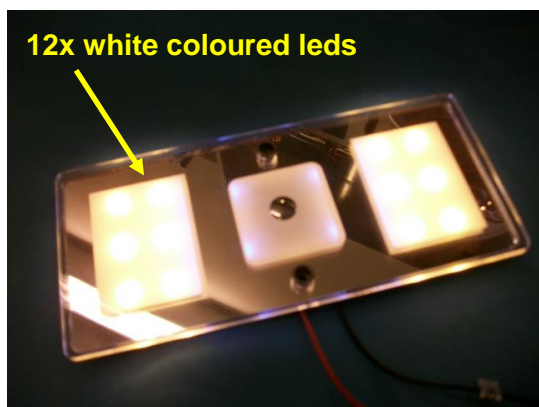

Touch - third time and keep touched -

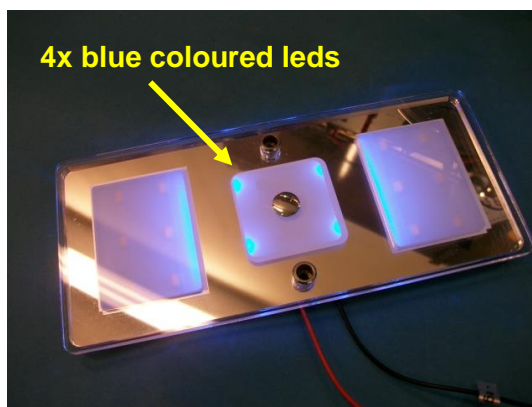

Dim function on - release when desired brightness has been reached

The blue colour is not diammable

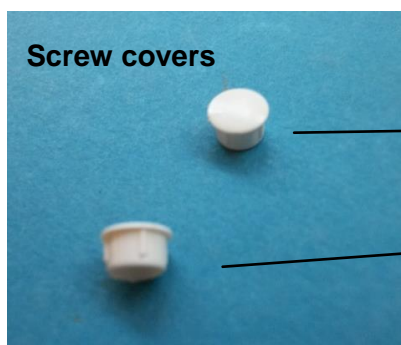

Memory function: when the power from the plus and minus connection has been switched off and switched back on after a while, the light will switch on following the last light setting.

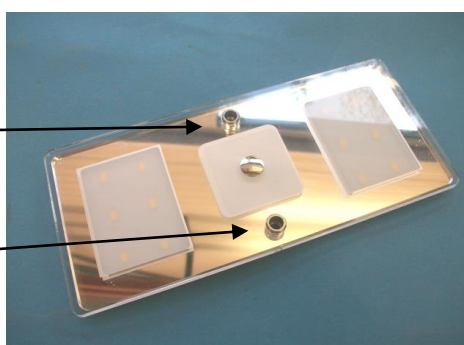

12x white coloured leds

4x blue coloured leds

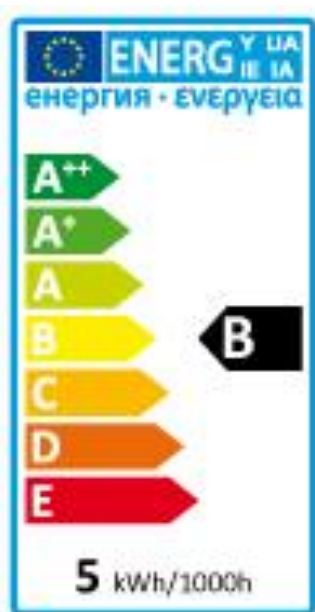

Screw covers
